VERSE:

B **A**
Saw the man in black, spotlight in the air
E **B**
Heard a thousand screams, I saw my daddy stare

B **A**
Feel like I've been runnin' since the day that I was born
E **B**
Eagle on my back, Phoenix on my arm

CHORUS:

B **A**
This goes out to the drifters
E **B**
And all of the dreamers ready to fly

B **A**
All those born to be rock stars

E B
Lifting their guitars and painting the sky

B
Can you hear me?

A E
All of you lost ones who aren't really lost ones

B
Keep shining your light

B A E
This goes out to the wild cards and all of the wild hearts

B
Just like mine

B A E B

VERSE:

Now listen

B A
Has anyone ever told you, you'll never amount to anything?

E B
You're just wastin' your time chasin' the tail of a dragon kind of dream

B A
But I'm here to tell you anything can happen in this life

E B
If you got that heart and the passion and a God lit fire inside

CHORUS:

B A
This goes out to the drifters

E B
And all of the dreamers ready to fly

B A
All those born to be rock stars

E B
Lifting their guitars and painting the sky

B
Can you hear me?

A E
All of you lost ones who aren't really lost ones

B
Keep shining your light

B A E
This goes out to the wild cards and all of the wild hearts

B A E B
Just like mine (Oh yeah, wooh) (ah ha)

Well it's just like mine (Oh, oh) mmm mmm

BREAK:

Oooh and this goes out to the drifters

And all of the dreamers ready to fly

All you born to be rock stars

Lifting your guitars and painting the sky, oh

CHORUS:

This goes out to the drifters

And all of the dreamers ready to fly

All those born to be rock stars

Lifting their guitars and painting the sky

(Can you hear me?) Can you hear me?

All of you lost ones who aren't really lost ones

Keep shining your light (Keep shining)

OUTRO:

This goes out to the wild cards

Who's got the wild heart

Just like mine?
